

HEPA-LITE

Liquid (Liver Tonic)

HEPA-LITE, our liquid liver tonic, is specially formulated to support the liver health of your animals. With a carefully crafted blend of key ingredients, this tonic promotes proper liver functioning and provides a range of benefits for the overall well-being of your livestock.

The combination of Tricholine Citrate, essential vitamins, minerals, and liver extracts makes HEPA-LITE a reliable choice for maintaining liver health. Whether for adult animals or young calves, sheep, and goats, the recommended dosage ensures effective results. As advised by your veterinarian, HEPA-LITE can be incorporated into the regular care routine to enhance digestion, protect the liver post-deworming, and prevent damage caused by harmful chemicals and toxins.
